Call: Kathie Derrick at (281) 337-6612

Taught with the aim of promoting personal character, fortitude, and an appreciation for the environment. Lessons include:

- ◆ Canoe handling
- ◆ Paddling skills
- ◆ Tree & plant identification
- ◆ First Aid

Small classes with much individual attention are designed to develop skills, nurture teamwork, and provide an avenue for fun and adventure. Interested students have the opportunity to participate in several canoe races during the year. Intermediate and advanced level classes are also available for those who wish to continue in the sport. Our students have won State and National Championships and have participated on an international level.

Kathie Derrick has been teaching canoeing to homeschoolers in this area for the past 20+ years. She is a marathon canoe racer, Texas canoe and Kayak champion, and river rescue specialist.

A try-out class is available August 24th. If you would like your child to experience a class ahead of time then reserve their spot in the try-out class today.
