

# How to Prepare for Canoe Lessons

## What to wear:

1. Summer Time: shorts and a t-shirt
2. Winter Time: loose pants, a sweater or jacket and wool socks
3. All the Time: old shoes that lace up tightly (they will get wet and muddy)

## What to bring

1. A towel
2. Complete change of clothes
3. Rain Poncho or Jacket – Target, Wal-mart or academy usually have kids plastic ponchos
4. Pocket Folder with your students name on the front, six sheets of paper and a pen or pencil (we recommend you cut two slots in one of the pockets to hold the pencil)
5. Old telephone book with your students name on edge opposite the binding
6. Croakie - told hold your glasses on if you wear them
7. Photo Album - 3 ring binder with magnetic pages, name on front or inside cover, **bring to class the first lesson of each month** (except in September),
8. Labels to identify plants in photo album

## Parents Responsibilities

1. Each month be sure your students have mounted and labeled all of their plants in the photo album before they bring it to class
2. Classes are rain or shine - special activities will take place under the pavilion or indoors if weather necessitates it.
